Replace this file with the lab-issued COA for the lot supplied. Values shown as X are placeholders.

Retatrutide 20 mg Lyophilized vial Research use only	Client: HelixMD Labs Accession #: XXXXXXXXXX Search Code: PeptXXXXXXXXXX Received: XX / XX / XXXX Reported: XX / XX / XXXX Lot: XXXX
---	---

Sample Summary			
Product	Retatrutide 20 mg	Purity	XX.XX %
Identity	Confirmed	Net Content	XX.XX mg
Appearance	White lyophilized powder	Method	HPLC-UV / LC-MS

Analytical Results			
Test	Method	Result	Specification
Identity	LC-MS	Retatrutide	Conforms
Purity	HPLC-UV	XX.XX %	>= 98.0 %
Net content	Gravimetric	XX.XX mg	20 mg
Appearance	Visual	White lyophilized powder	Conforms
Endotoxin	LAL	XX.X EU/mg	Report result

Method: High-performance liquid chromatography with UV detection, coupled with mass spectrometry (LC-MS).
